Company Introduction

North Beach Enterprises Ltd. is a dynamic and progressive company committed to delivering the highest standards of service in general maintenance, construction, and marketing. Established in 2004, the company brings together decades of collective expertise and industry knowledge, enabling us to consistently achieve excellence in every project.

At North Beach, we see general contracting and maintenance not only as essential to aesthetics, but also as a vital part of preventative care and long-term asset protection. Guided by our slogan, **“Where Quality is Our Priority,”** we continuously adapt to the evolving demands of technology, industry standards, and client needs to ensure unmatched service delivery.

Vision

To be recognized as a leader in industrial and corporate services, setting the benchmark for quality, reliability, and innovation across all sectors we serve.

Mission

We are dedicated to fair competition and the delivery of reliable, world-class services. By combining technical excellence, innovation, and cost-effective solutions, we provide our clients with superior value for money and lasting results.

Strategic Objectives

Our objectives are centered on building strong, long-term client relationships through superior workmanship and professional service delivery. We commit to:

- Achieving and maintaining the highest levels of **customer satisfaction**.
- Upholding our **Core Values** in every aspect of our operations:
 - **Safety First** – strict adherence to industry safety standards.
 - **Quality Service** – consistent delivery of reliable, top-tier results.
 - **Professionalism** – ethical business practices and transparent operations.
 - **Experienced Leadership** – a skilled and knowledgeable management team.
 - **Environmental Responsibility** – sustainable practices that respect and protect our environment.

ORGANIZATIONAL CHART

North Beach Enterprises Ltd.

Where quality is our priority

Rawle Ragoonath
Chief Operating Officer – Construction,
General & Industrial Maintenance
Operations

Rawle Ragoonath serves as Chief Operating Officer of North Beach Enterprises Ltd and is responsible for overseeing the company's day-to-day operations across its key business divisions, including construction, industrial maintenance, facilities management, janitorial services, landscaping, and infrastructure support services. With a strong background in operational management, project coordination, resource planning, and contract administration, Rawle provides the leadership necessary to ensure the successful execution of projects ranging from building construction and renovations to large-scale industrial and maintenance contracts. His extensive experience enables him to effectively manage multidisciplinary teams while maintaining strict adherence to quality, safety, budgetary, and scheduling requirements. As COO, Rawle is instrumental in driving operational efficiency and maintaining the company's reputation for service excellence. He oversees workforce deployment, equipment utilization, client relations, and project performance, ensuring that all works are completed to the highest professional standards. His practical industry expertise, strategic decision-making abilities, and commitment to customer satisfaction have contributed significantly to the growth and success of North Beach Enterprises Ltd as a trusted provider of construction, maintenance, and integrated facility management solutions throughout Trinidad and Tobago.

Ravi Ramsingh

Director – Asset Integrity Management, Construction & Quality Control

Ravi Ramsingh serves as Director of Asset Integrity Management, Construction and Quality Control at North Beach Enterprises Ltd, where he provides strategic leadership across the company's core business sectors, including construction, industrial maintenance, facilities management, and infrastructure development. With extensive experience in asset lifecycle management, quality assurance, engineering support services, and project delivery, Ravi is responsible for ensuring that all construction and maintenance activities are executed in accordance with industry best practices, regulatory requirements, and the highest standards of quality and safety. His expertise includes asset integrity assessments, quality management systems, risk mitigation, construction oversight, and operational performance improvement.

In his role, Ravi leads the development and implementation of quality control procedures that govern all phases of project execution, from planning and procurement through construction, commissioning, and maintenance. His commitment to continuous improvement and operational excellence has enabled the successful delivery of numerous commercial, industrial, and government-sector projects. Through his technical knowledge, leadership, and attention to detail, he plays a critical role in ensuring that North Beach Enterprises Ltd consistently delivers reliable, safe, and high-quality solutions to its clients while protecting the long-term value and integrity of their assets.

Rea Jeanne Nicome

Chief Financial Officer (CFO)

Rea Jeanne Nicome serves as Chief Financial Officer of North Beach Enterprises Ltd and is responsible for the strategic financial management and fiscal oversight of the organization. As a key member of the executive leadership team, she oversees all financial operations, including budgeting, financial planning, cash flow management, procurement controls, contract administration, risk management, and corporate governance. With extensive experience in financial management and business operations, Rea plays a critical role in supporting the company's core business sectors of construction, industrial maintenance, facilities management, janitorial services, and infrastructure development. Her expertise ensures that the company maintains financial stability while effectively managing resources to support sustainable growth and operational excellence.

In her role as CFO, Rea provides financial leadership for major projects and contracts, ensuring compliance with regulatory requirements, sound financial reporting practices, and effective cost-control measures. She works closely with senior management to develop financial strategies that enhance profitability, strengthen organizational performance, and support long-term business objectives. Her commitment to transparency, accountability, and prudent financial stewardship has contributed significantly to the continued success and expansion of North Beach Enterprises Ltd, positioning the company as a trusted and reliable partner for public and private sector clients throughout Trinidad and Tobago.

**President & Chief Executive Officer
Mr. Omarie Thorpe**

Mr. Omarie Thorpe has built his career on an unwavering commitment to excellence and integrity in every endeavor he has pursued. As the driving force behind North Beach Enterprises Ltd., he embodies the principles of dedication, innovation, and service quality that form the cornerstone of the company's success.

He believes that the strength of any organization lies in its people. To Mr. Thorpe, employees are not just staff—they are the foundation upon which the company stands. Guided by this belief, he fosters a culture of mutual respect, loyalty, and empowerment, ensuring that every team member feels valued and supported in achieving both personal and organizational goals.

Mr. Thorpe's leadership philosophy rests on the conviction that "an empire cannot stand without a strong foundation." Under his guidance, North Beach Enterprises Ltd. has grown into a trusted name in general maintenance, construction, and corporate services by prioritizing professionalism, safety, and client satisfaction.

With vision and determination, he continues to position the company as a leader in its field, committed to delivering solutions that go beyond client expectations while upholding the values of respect, loyalty, and responsibility in every aspect of operations.

- Construction services. with a supply chain management system, we can manage every stage of construction by using our reputable list of proven construction contractors & associates

North Beach Enterprises Ltd.

Where quality is our priority

Janitorial Services Overview

North Beach Enterprises Ltd provides professional, reliable, and safety-focused janitorial services designed to maintain clean, hygienic, and well-managed environments for commercial and institutional facilities. Our services are structured to meet high operational standards while ensuring minimal disruption to daily operations.

We utilize industry-approved cleaning methods and professional-grade equipment tailored to different surface types, usage levels, and hygiene requirements. Our janitorial operations cover offices, boardrooms, washrooms, stairwells, corridors, common areas, and high-traffic zones, with a strong emphasis on consistency, attention to detail, and presentation.

All cleaning activities are supported by company-owned equipment that is routinely maintained and readily backed up to ensure uninterrupted service delivery. This includes commercial vacuum cleaners, floor scrubbers and polishers, microfiber cleaning systems, window-cleaning tools, and waste management equipment. Preventive maintenance and standby resources allow us to respond quickly to operational demands and unforeseen equipment issues.

Health and safety are integral to our janitorial services. All personnel are issued task-specific Personal Protective Equipment (PPE) and are trained in safe work practices, chemical handling, and hazard awareness. Wet floor signage, controlled chemical usage, and proper waste handling procedures are implemented at all times to reduce risk and ensure compliance with occupational health and safety standards.

Quality assurance is maintained through active supervision, routine inspections, and structured cleaning checklists. Our management team conducts regular performance reviews to ensure cleaning standards are consistently achieved and continuously improved. Any identified deficiencies are addressed promptly through corrective action and staff retraining where required.

Through disciplined operations, trained personnel, and a commitment to service reliability, North Beach Enterprises Ltd delivers janitorial services that support safe, clean, and professional working environments.

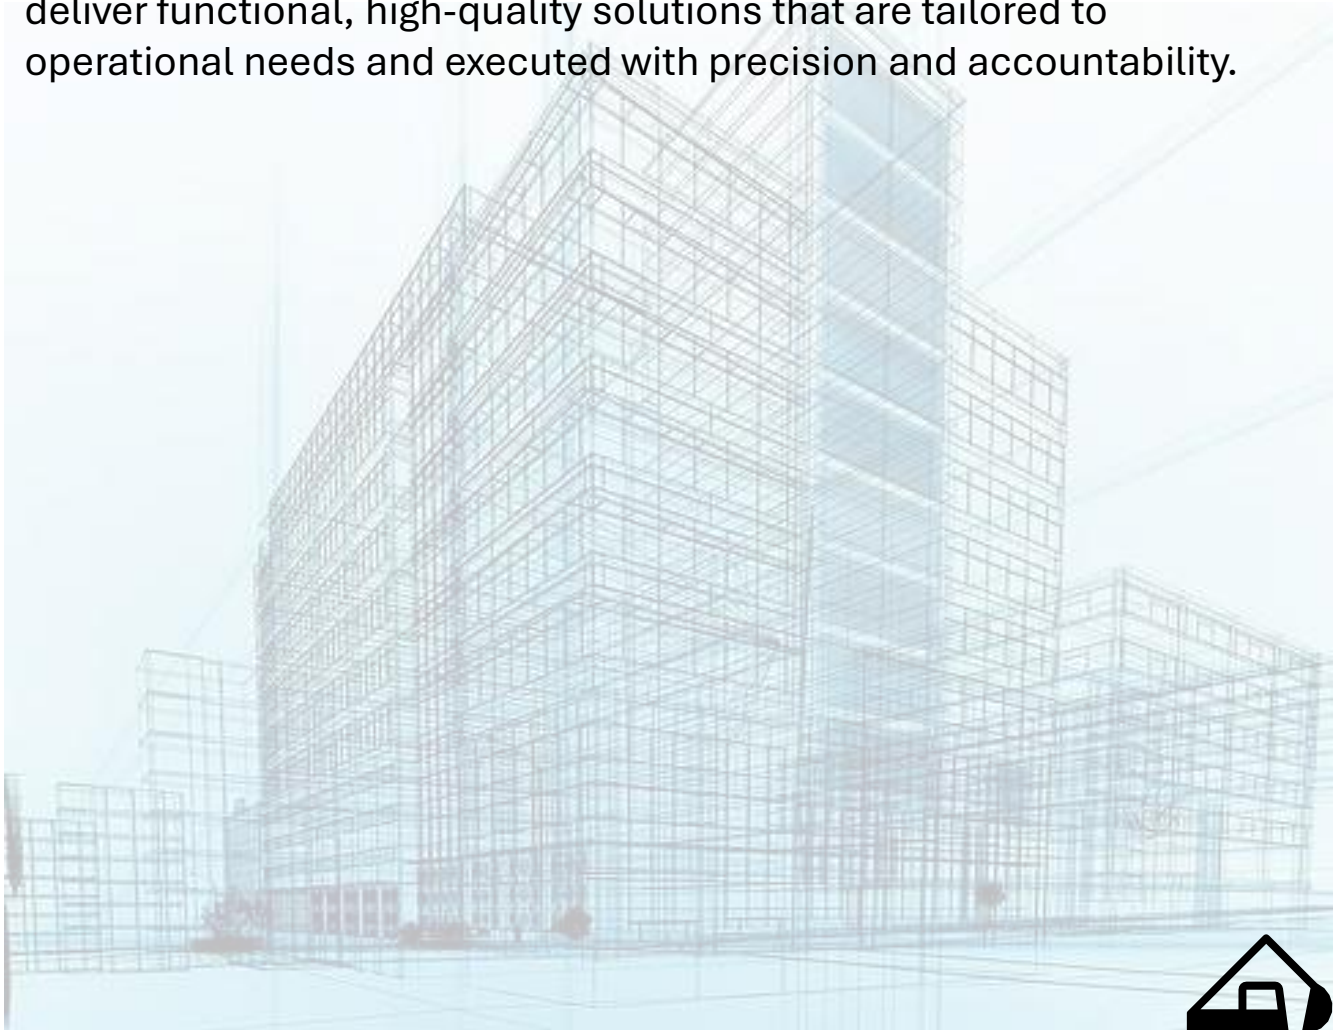

North Beach Enterprises Ltd.

Where quality is our priority

DESIGN AND BUILD SERVICES

North Beach Enterprises Ltd offers integrated design and build services that provide clients with a single point of responsibility from concept through to completion. Our approach ensures efficient coordination between design development, construction activities, and project management, resulting in streamlined delivery, cost control, and reduced project timelines. We manage all phases of the process, including planning, procurement, construction, and commissioning, while ensuring compliance with applicable codes, standards, and client requirements. This turnkey model allows us to deliver functional, high-quality solutions that are tailored to operational needs and executed with precision and accountability.

STEP
02

We are always seeking innovative procedures with efficiency and cost effectiveness in mind.

STEP
03

We aim at delivering top level Quality service delivered to all Our customers.

SAFETY POLICY

North Beach Enterprises values the health and safety of all its personnel as the most important driver in our overall success. *We are committed to carrying out our day to day activities with due consideration to health, safety and the prevention of accidents.*

The long-term success of this organization depends on our ability to proactively manage the health, safety and environmental (HSE) aspects of our business. North Beach Enterprises remain committed to being vigilant in our recognition of hazards and our application of risk reduction strategies.

02

All management and personnel of North Beach Enterprises are committed to:

- Facilitating and promoting an environment where the health and safety of people and protection of the environment are valued as our # 1 priority.

03

- Maintaining an organizational culture that focuses on continuous improvement
- Training as a key element of job competence and accident prevention.

04

- Maintaining respectful compliance with all applicable laws and where possible implementing best practice to go above and beyond regulations.
- Identifying operational hazards and managing the risks to a level that ensures integrity of the operation and safety of people.

05

We are committed to the proactive management of health, safety and environmental aspects as we continue to develop and improve our integrated management system in alignment with our development and expansion.

This policy will be regularly reviewed for suitability and effective implementation.

To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for North Beach Enterprises Ltd. Having had the opportunity to collaborate with them on several occasions, I can confidently attest to their exceptional capabilities in facilities maintenance, construction, and general maintenance projects.

As a representative of Qmolding, a company committed to delivering high-quality products and services, we have always sought partners who share our dedication to excellence. In North Beach Enterprises Ltd, we found exactly that and more. Their team consistently demonstrates a profound understanding of the unique challenges inherent in our industry, coupled with a remarkable ability to devise innovative solutions to address them.

What sets North Beach Enterprises Ltd apart is not only their technical expertise but also their unwavering commitment to client satisfaction. They approach each project with a meticulous attention to detail and a determination to deliver results that surpass expectations. Whether it's a complex construction endeavor or routine maintenance tasks, North Beach Enterprises Ltd approaches every assignment with the same level of professionalism and enthusiasm.

Moreover, their dedication to safety is commendable. North Beach Enterprises Ltd prioritizes the well-being of their team members and stakeholders, ensuring that all projects are executed in strict accordance with industry regulations and best practices. This commitment to safety not only enhances the efficiency of project execution but also instills confidence in their clients, knowing that their projects are in capable hands.

Their professionalism, expertise, and commitment to excellence make them a valuable asset to any project. It is with utmost confidence that I recommend North Beach Enterprises Ltd, knowing that they will consistently deliver exceptional results.

Should you require any further information or assistance, please feel free to contact me.

Warm regards,

Stafford quan soon

To Whom It May Concern,

I am writing to highly recommend North Beach Enterprises Ltd for any facilities maintenance, construction, or general maintenance projects. As the Operations Manager of Supply Solutions Ltd, I have had the pleasure of collaborating with North Beach Enterprises Ltd on numerous occasions, and their dedication to excellence, professionalism, and quality workmanship has always been exemplary.

North Beach Enterprises Ltd consistently demonstrates a profound understanding of the intricacies involved in facilities maintenance, construction, and general maintenance projects. Their team exhibits a rare blend of technical expertise, creative problem-solving skills, and a commitment to meeting and exceeding client expectations. Whether it's a minor repair or a major construction project, North Beach Enterprises Ltd approaches each task with the same level of meticulous attention to detail and professionalism.

One of the most impressive aspects of North Beach Enterprises Ltd is their ability to effectively manage projects from inception to completion. They possess strong project management skills, ensuring that timelines are adhered to, budgets are managed efficiently, and all deliverables meet the highest standards of quality. Moreover, their proactive communication style fosters transparency and collaboration, which are essential for successful project outcomes.

Furthermore, North Beach Enterprises Ltd consistently demonstrates a strong commitment to safety in all aspects of their work. They adhere strictly to industry regulations and best practices, prioritizing the well-being of their team members and stakeholders. This dedication to safety not only ensures the smooth execution of projects but also provides clients with peace of mind knowing that their projects are in capable hands.

In summary, North Beach Enterprises Ltd is a truly outstanding partner for any facilities maintenance, construction, or general maintenance needs. Their professionalism, expertise, and unwavering dedication to excellence set them apart in the industry. It is without hesitation that I recommend North Beach Enterprises Ltd for any project, confident in their ability to deliver exceptional results.

Should you require any further information or clarification, please do not hesitate to contact me.

Sincerely,

Nicholas Ottley

TO WHOM IT MAY CONCERN,

Re: Testimonial for North Beach Enterprises

To Whom It May Concern,

I am writing to recommend North Beach Enterprises for its exceptional services in building renovation, and facility maintenance.

Over the past 3 years, North Beach has been an integral partner in numerous projects undertaken by our organization. Their dedication, professionalism, and commitment to excellence have consistently exceeded our expectations.

Moreover, in the domain of building renovation, North Beach showcased remarkable expertise. They approached each project with a strategic mindset, delivering high-quality results within stipulated timeframes. Their proficiency in managing renovations, from initial planning stages to execution, was truly impressive. Their attention to design aesthetics while maintaining functionality was particularly noteworthy.

Additionally, North Beach has been instrumental in our facility maintenance efforts. Their proactive approach to identifying and addressing maintenance issues ensured seamless operations within our facilities. Their prompt responses and swift resolution of maintenance concerns have contributed significantly to the overall efficiency of our spaces.

Without reservation, we highly recommend North Beach for any project requiring, building renovation, or facility maintenance services. Their expertise, reliability, and dedication make them an invaluable asset to any organization.

Should you require any further information or details regarding our experience working with North Beach, please feel free to contact our office at your convenience.

Dear Sir/Madam,

I am pleased to provide a reference for ***North Beach Enterprises Limited***, who have been engaged by Insepra Limited to provide janitorial services at our facility.

In December 2024, ***North Beach Enterprises Limited*** was contracted to carry out a deep cleaning exercise of our premises. Following the successful completion of that project, we began a one-year contract with them for ongoing janitorial services during the same month.

Throughout this engagement, they have proven to be dependable and have consistently ensured that our premises remain in an acceptable state of cleanliness. They have demonstrated reliability in fulfilling their contractual obligations and have supported us in maintaining a safe and professional work environment.

Please feel free to contact our organization at 235-5028 should you require any further information regarding our experience with their services.
